1. General information

A Common Security and Defence Policy (CSDP) Module will take place at the French Naval Academy (FNA) in Lanvéoc, France. Participants are expected to arrive on Sunday 24 January 2027 and depart on 29–30 January 2027.

2. Registration

Participants are requested to register by sending the completed Application Form to the Course Director (POC) for this activity:

Fiona SIMONEAU-BYRNE
international@ecole-navale.fr

Registration deadline: NLT 18 December 2026

3. Transportation

Participants are responsible for making their own travel arrangements to and from Brest.

For contingencies or unexpected delays, please contact the Course Director to coordinate airport pick-up: +33 6 59 50 50 89.

3.1 Arrival – Sunday 24 January 2027

Delegations should arrive at Brest-Guipavas Airport or Brest railway station. French Naval Academy midshipmen, wearing uniform, will welcome participants at the airport or station.

Pick-up arrangements will be coordinated according to participants' arrival times through a WhatsApp group. The group will be set up and managed by designated French students, who will meet participants on arrival.

3.2 Departure – Friday 29 January 2027

Delegations are requested to depart Friday 29 January afternoon/evening. Drop-off at Brest-Guipavas Airport or Brest railway station will be coordinated according to departure times through the WhatsApp group managed by designated French students.

The French Naval Academy will provide transportation for all programme activities throughout the week.

4. Accommodation

Accommodation at the French Naval Academy will be provided free of charge. International students will stay on the FNA premises with French cadets, sharing their dormitories.

5. Meals

Meals will be provided free of charge to students during the week at the dining facility on the Academy premises.

An official dinner will also be organised. The dress code is business casual (jacket, no tie).

6. Dress code

MONDAY–FRIDAY	Military working attire for military personnel; business casual (jacket, no tie) for civilian personnel.
OFFICIAL DINNER	Business casual for all participants. Uniform is not required.

7. Access to the base and communication

All international cadets will be added to a WhatsApp group using the telephone numbers provided on the registration form. The group will be used for routine communication among participants and with local French POCs. It will be managed by one of the French midshipmen.

8. Miscellaneous

Students are advised to bring a personal laptop or tablet to carry out internet research during the CSDP Module.
