Dear Commandants, Dear Rectors,

It is my great honor to invite you to the 10th edition of the ***International Students' Week*** organized by "Nicolae Bălcescu" Land Forces Academy of Sibiu between **19th – 23rd of April 2027**.

The ***International Students' Week*** is an initiative of "Nicolae Bălcescu" Land Forces Academy of Sibiu to promote its study programs and attract students from international partner institutions to study, learn and exchange experiences. The aim is to deepen and intensify cooperation among our partners within the framework of the ERASMUS+ Programme in the area of student and staff mobilities.

This international week consists of lectures, workshops and several cultural and social activities. Besides participating in the academic and social activities within the International Students' Week, participants may take part in the following students' scientific events: SECOSAFT and CADET INOVA.

SECOSAFT – the students' session of scientific communications with international participation, an event this contributes to the development of students' creative potential in the field of research and sciences.

CADET INOVA – National Exhibition of Students' Innovation and Scientific Research with international participation, an event held under the High Patronage of the Romanian Inventors' Forum, which encourages students to make new discoveries in their area of study.

We are looking for active participants willing to share innovative ideas and best practices from their home universities, to create new collaborations and partnerships between students and to encourage them to play an active and constructive role in the development of social and academic life and will allow the participants to gain new knowledge and create bonds with peers and teachers from other countries.

The Academy offers the participants free lodging and meals inside the Academy's buildings. Transport to/from the venue is under the participants' responsibility. No participation fee is required.

The participants are kindly asked to fill in the attached Registration Form and send it to the POC of the event (Assoc.prof. Isabela-Anda DRAGOMIR, PhD) at the e-mail address: international.relations@armyacademy.ro, no later than the **12th of March 2027**.
