

European Initiative for the exchange of young officers inspired by Erasmus

Letter of Appreciation

Dear Ladies and Gentlemen!

On 19 February 2020 – during the 45th meeting of the Implementation Group – we finalised the points for the essays, which Officer Cadets had to author in order to participate in the 5th CSDP-Olympiad in Dubrovnik / Croatia from 01-05 June 2020.

The success of the Officer Cadets' participation in the CSDP Olympiad will not be possible without the intensive and venerable contribution of the evaluators. We appreciated very much your contribution and on behalf of the entire Implementation Group let me express my highest esteem to the persons listed hereinafter:
