Future Intent (GAREEA proposals)

- 1) Return to **prior pandemic mobilities** for students, teachers and Staff as fast as possible, as long as the SARS-CoV-2-situation allows it. **Develop in parallel online learning** to keep the momentum and to provide pre-conditions of ERASMUS+ financial support for short students' mobilities.
- 2) Integrate the **SQF-MILOF** elaborations into the descriptions of existing and future common modules, wherever possible.
- 3) Develop **clear guidelines for financial support** of exchanges.
- 4) Finalisation and implementation of the **international semesters** starting with pilot projects (Air Force, Navy, Technical) and initiating elaborations on an international medical semester.
- 5) Develop clear guidelines for Basic Officer Education Institutions for the next **European Universities call** 2024.
- 6) Increase **Research & Development** activities and collaboration, not only among Basic Officer Education Institutions, but also with civilian universities.
