Welcome to the Spain Travel Health portal!
To protect your health, the Government of Spain has implemented a series of measures to protect the general public's health, including health control of passengers upon arrival in Spain. From this website you can fill out the health control form and obtain your QR Code, to show it at the control points upon arrival in Spain.
Your health is the priority.

Download the app, available at:
Google play App Store

Request for vaccination certificates/diagnostic tests/recovery certificates

All persons entering Spain from other countries, including international transits, regardless of their nationality, age or any other consideration, **must complete the Health Control Form and obtain their QR** to present at boarding and health controls on arrival in Spain.

From 7 June 2021, all those passengers from a country/area that has a SARS-CoV-2 coronavirus risk, must present, a certificate or document certifying vaccination against COVID-19 or a negative certificate of a Diagnostic Test of Active Infection or a certificate of Recovery after having passed this disease in order to enter Spain. This can be a EU Digital COVID Certificate, or a supporting document of those indicated above, whether the traveller arrives from an EU member state or from a third country.

Children under 12 years of age are not required to present these certificates or supporting documents.

The list of **risk countries/areas** can be seen on this [link](#).
