# Challenge

Create a logical proposal, through the IG, to the ESDC, to be a source of financing the Organization/Participation in the Short Duration Modules.

The proposal should consist in the attribution of an annual amount of money to the institution's members of the IG to promote the Organization/Participation of Students and Staff in the Short Duration Common Modules.

The great challenge is: Create a system for the institutions annually apply for the participation.

The IG could be the responsible to select the institutions/student/Staff to receive the money to participate in the Short Duration Common Modules.

# THANK YOU!
