INVITATION TO THE LEADERSHIP, MOTIVATION & INFLUENCE (LMI) COMMON MODULE

Dear Ladies and Gentlemen,

The Spanish Air Force Academy has the pleasure and privilege to organize a pilot Common Module on LMI within the “European Initiative for the Exchange of Military Young Officers” Framework.

The module consists of an e-learning phase followed by a residential phase to be held in San Javier, Spain at the Spanish Air Force Academy from **7-10 May 2024**. Both the e-learning and residential phases of the course are compulsory. The module is based on the EMILYO LMI Standard Curriculum. The main objective of this module is to provide the participants with the basic knowledge, skills and competencies in the field of command and leadership focused on motivating and influencing team members up and down the chain of command.

The international team of lecturers has significant experience in teaching in a multicultural environment and the students will participate in both formal academic lectures and syndicate work to enhance the learning experience. We are delighted to extend this invitation to twenty (20) visiting students in order to enrich and diversify the learning environment and perspectives.

We would be pleased if you would accept this invitation and nominate suitable candidates for this training activity. Please direct any inquiries on this topic to my International Affairs Office POCs: Lt Col Enrique PÉREZ SOLER (epersol@ext.mde.es, +34 968 189306) and Captain Ignacio Felix DE GOIRI ALVAREZ (idegalv@ea.mde.es, +34 968 189386)
