Re: Invitation Letter for Military Multinational Sports and Shooting Games 2024

Dear Sir / Madam

Following the remarkable success of previous editions of the event, organized in 2018, 2019 and 2023, the Military University of Technology has a great pleasure to announce the fourth edition of the 'Military Multinational Sports and Shooting Games 2024' to take place at the premises of the Military University of Technology, Warsaw, Poland on 23rd-27th April 2024.

The 'Military Multinational Sports and Shooting Games 2024' event is dedicated for cadets from European partner military universities, academies and colleges. The purpose of our University is not only to develop the students' intellectual side and military knowledge but also their physical abilities as required for professional officers, also in a widely differentiated, international environment. During the Games participants will meet some physical and military challenges that, I believe, will make them more interoperable.

It will be our immense pleasure to invite cadets and representatives of different military academic institutions to join the event, including those who participate in the so-called Military Erasmus program. Therefore, we would be very satisfied if you accept this invitation and nominate suitable candidates. The event will be also a unique opportunity to socialize during various group events and get acquainted with the infrastructure of the Military University of Technology, Warsaw and Poland.

To confirm your institution's participation in the event, we kindly request that you respond no later than **March 25th, 2024**. Please return filled registration forms to: jaroslaw.gasior@wat.edu.pl and pawel.jaskiewicz@wat.edu.pl. Other details, dedicated to the event, can be found attached to the Invitation Letter.

I am looking forward to meeting your cadets among participants of the Games and to welcome them at the Military University of Technology.

Annexes:

- A. Administrative Information
- B. Application Form

Sincerely yours

**REKTOR-KOMENDANT
WOJSKOWEJ AKADEMII TECHNICZNEJ**

gen. bryg. prof. dr hab. inż. Przemysław WACHULAK
