WHAT IS ERASMUS?

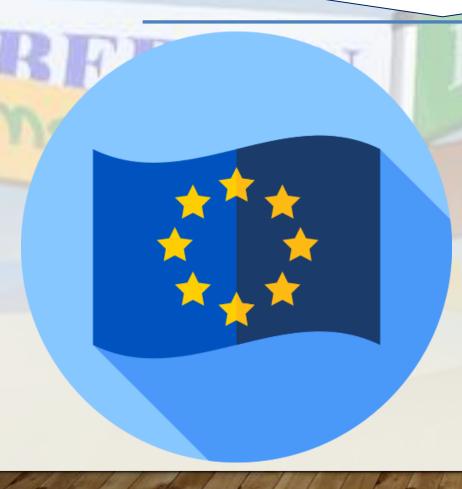

- Erasmus+ is the EU's programme to support education, training, youth and sport in Europe.
- It has an estimated budget of €26.2 billion. This is nearly double the funding compared to its predecessor programme (2014-2020).
- The 2021-2027 programme places a strong focus on social inclusion, the green and digital transitions, and promoting young people's participation in democratic life.
- It supports priorities and activities set out in the European Education Area, Digital Education Action Plan and the European Skills Agenda.

WHAT ARE THE BENEFITS OF ERASMUS PROGRAM?

- Experience staying in a country you consider living in the future. ...
- Taking an internship abroad increases employability. ...
- Travel around. ...
- Opportunity to study abroad with financial support. ...
- You learn to trust yourself.
- Learning to stick to a budget and balance your finances
- Gain international and intercultural competencies, as well as cultural awareness
- Make friends that could last you a lifetime

- International Student Network is a research group at War Studies University aimed at promoting the Erasmus + program.
- The activities of the members of the club are related to the care of foreign students coming to our university. Thanks to the diversity of cultures and languages students get to know new corners of Europe.
- The activity of the circle is not only limited to science. Numerous events, tours and themed parties are organized.
 - The students learn from each other together mentors showing the beauty of Poland, while foreign students, encouraging us to visit their countries, give us a lot of knowledge about their homelands.
