

Annex

to the Common Module Basic Military English

The list of literature is not necessarily for students to read it. More likely, it is foreseen for the future Module Directors if they will conduct the semester (or parts of it) to get familiar with the topics.

Literature:

1. Bowyer Richard: *Campaign Dictionary of Military Terms*, Macmillan, Oxford, 2004, ISBN 9781405067034.
2. Bowyer Richard: *Check your vocabulary for military English*, Bloomsbury Information Ltd., 1st Edition, 2005, ISBN 9781408121139.
3. Mellor-Clark Simon; Baker de Altamirano Yvonne: *Campaign 1: Student's Book*, Macmillan, Oxford, 2004, ISBN 9781405009850.
4. Mellor-Clark , Simon; Baker de Altamirano, Yvonne: *Campaign 2: Student's Book*, Macmillan, Oxford, 2005, ISBN 9781405009850.

Note: The students can also use any English textbooks, courses, exercise books available at the libraries of the institutions they study at, if they find these useful!
