

## Austrian Officer Cadets passed ESDP- Module in Portugal

From September 07 to 11 2009 two Austrian Officer Cadets, OCdt Jürke and OCdt Maier, passed the first European Security and Defence Seminar, hosted by Portuguese Naval, Air Force and Military Academies with support of the European Security and Defence College. They received certificates with a work-flow of 1.5 ECTS which will be acknowledged at the Theresan Military Academy following the idea of the European Initiative on the exchange of young officers (inspired by ERASMUS). Within this programme also the Theresan Military Academy offers various modules and has taken over the lead for the Peace Support Operations Module within the EU
