

**MEEC -
Military English
in European Context**

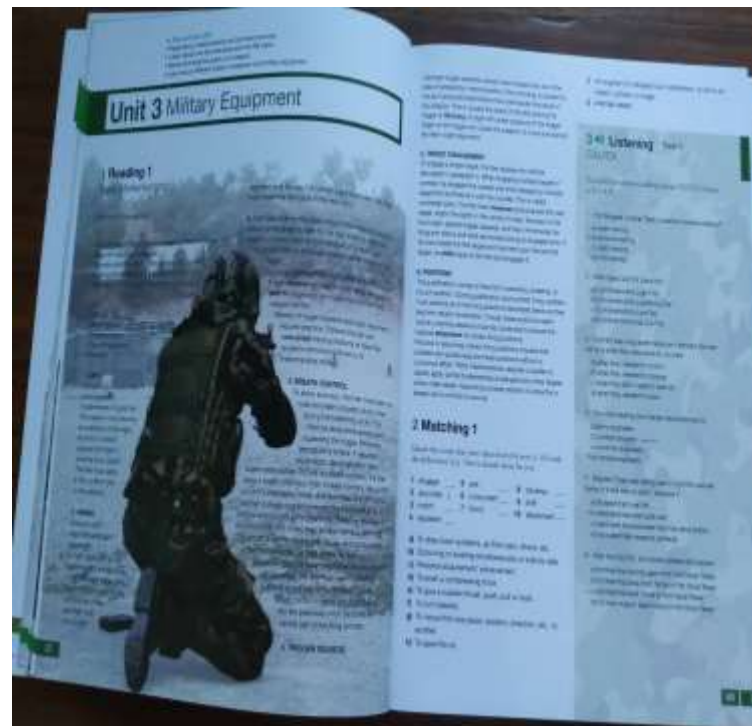

**Academia Militar
Lisbon**

2019, September 18th

Starting Point

- **AT ATTENTION**

Based on the experience acquired with the elaboration of a national oriented textbook of English for the Portuguese Army.

Main Objective

To create an Erasmus+ strategic partnership under the umbrella of English for specific purposes, namely English applied to the armed forces.

Erasmus+

MILITARY ACADEMY  PORTUGAL

MEEC has been thought:

- as an innovative alliance of multiple ways of teaching;
- to create new approaches to a common learning process of acquisition of specific *corpora* within the context of a common foreign language;
- as a shared platform of communication tools;
- to lead to the best use of the English language in the military context.

Further Objectives

- To share professional experiences, materials and to allow cooperation at international level with regard to methodology, pedagogical practices and cultural awareness;
- To cross-standardize and globalize both the teaching and learning of the English language in the military context

Outcomes

To develop common knowledge on how each of the participating countries uses the English language within the specificity of the armed forces (regardless of service branch)

Duration

24-36 months and will include cooperation with national entities from the different participating countries and also participation from third countries, namely USA.

Expected Results

- **E-books;**
- **Short courses (residential) at a national and international level;**
- **Participation in conferences;**
- **Submission of two articles for publication in international scientific journals;**
- **Joint publication with recommendations and dissemination of results of the strategic partnership for exchange of good practices.**
