Nomination for the Chairperson of the LoD-12
(International Air force Semester)

Dear Members of the Implementation Group,

According to the Draft minutes of the 43rd IG/ESDC/Document 2019/269 as of 14th October 2019 and due to the recent transfer of Major (HAF) Ilias Makris to ESDC, I would like to nominate Assistant Professor Panagiotis Karampelas, Ph.D. of the Hellenic Air Force Academy as the chairperson of the LoD-12.

Dr. Karampelas has participated in this initiative since the beginning and shares the same principles and values for the development of a harmonized curriculum in European Air Force Academies with the current chairperson of the LoD-12. Dr. Karampelas has a holistic view of the process and is well acquainted with all the partners since he has attended all the preparatory meetings. In addition, he has devoted much of his time to the preparation of the Strategic Partnership Proposal for the International Air force Semester as one of the main authors. I'm convinced that from the position of the chairperson, he will meticulously work for the success of this initiative.

Yours sincerely

Major General Petros Chatziris

Commandant of the Hellenic Air Force Academy
