# Agenda

- Why EMILYO and what benefits?
- What is a possible CoA?

# Why EMILYO and what benefits?

- EMILYO is focused on harmonizing young officer education
- Peer-accreditation would allow expanding the number of experts versed in understanding EU young officer education
- Comparative data would be collected to define and disseminate best practice
- Improve expert feedback quality and relevance

# What is a possible CoA?

- ESDC should have its mandate expanded to manage the process and a registry of experts.
- National legislation would need to still apply.
- Follow *Standards and guidelines for quality assurance in the European Higher Education Area* (ESG) and all that it implies.
- Academies should work with their national MoD's and MilRep's to validate the idea in the EUMC.
