Topics suggested for the syndicate works:

- Overview on the students' and staff exchanges in your institution (Have they improved? In what way? What were the main obstacles encountered in doing international exchanges? What were the strengths and weaknesses for the participants and for the institution?);
- How do military higher education institutions refer to the internationalization issue at institutional level? (How is or can the internationalization component be evaluated and measured? Does your institution have an internationalisation strategy?);
- KA3 - Networks and partnerships of Vocational Education and Training (VET) - Projects dedicated to Sports under the Erasmus+ Programme and not only;
- Students' and alumni's presentation of their experience within Emilio.
