## International Technical Semester

### 3. Supplementary call for an Erasmus+ KA2 Strategic Partnership for Digitalization

#### STRATEGIC PARTNERSHIPS IN RESPONSE OF THE COVID-19 SITUATION

##### - Erasmus+ programme will exceptionally support Partnerships for Digital Education Readiness

These projects aim at equipping education and training systems to face the challenges presented by the recent sudden shift to online and distance learning, including supporting teachers to develop digital competences and safeguarding the inclusive nature of learning opportunities.

The goal is to reinforce the ability of education and training institutions to provide high quality, inclusive digital education.

The focus will be on building capacity to implement online, blended and distance teaching and learning; to develop digital pedagogical competences of educators, enabling them to deliver high quality inclusive digital education; and to develop and/or use high quality digital content such as innovative online resources and tools.

## International Technical Semester

### 3. Supplementary call for an Erasmus+ KA2 Strategic Partnership for Digitalization

#### STRATEGIC PARTNERSHIPS IN RESPONSE OF THE COVID-19 SITUATION

- Erasmus+ programme will exceptionally support Partnerships for Digital Education Readiness

**-Activities:**

- activities to deploy digital tools and methods to deliver quality and inclusive education through online/virtual means, including blended teaching, training and learning;
- activities to support learners, teachers and trainers in adapting to online/ distance learning;
- activities to teach and promote safer and more responsible use of digital technology;
- activities to understand how best to incorporate digital online technology into subject-specific teaching, training and learning, including work based learning.

**Applicants have to submit their grant application by 29 October at 12:00 (Brussels time) for projects starting between 1 March and 30 June of the following year.**
