Future Intent (GAREEA proposals)

- Organise **at least one common module** at each basic officer education institution on a regular basis.
- **Elaborate international semesters** for naval, air force, military technical and military medical institutions, preferably within the frame of ERASMUS+ Strategic Partnership Projects.
- **Identify funding for short exchanges** for cadets and students (e.g.: for common modules).
- Apply for the **European University call and Strategic Partnership Projects**, nurturing European basic officer education institutions.
- Encourage **teachers and trainers** to participate in **medium to long term exchanges**.
- Build a **common database for institutional researches**, for exchanging teaching/learning materials and for sharing ongoing information regarding project calls.
