Invitation to the 55th Implementation Group Meeting and International Air Force Semester Multiplier Event

The Portuguese Air Force Academy has the honour to host the 55th Implementation Group meeting concurrently with the International Air Force Semester Multiplier Event “Evaluating the semester”, which will be held between 19th and 22nd of September 2022 at our premises.

The Multiplier Event is organized by the Portuguese Air Force Academy within the framework of the European Initiative for the Exchange of Military Young Officers and its aim is to present the evaluation of the International Air Force Semester project and the feedback concerning the pilot phase events. The semester has been developed by the Portuguese, Hellenic and Romanian Air Force Academies for the past two years under a Key Action 2 Erasmus project and the first edition is scheduled to start in the first academic semester of 2022/2023.

It is a special honour for the Portuguese Air Force Academy to invite a delegation from your institution to participate both in the Multiplier Event and in the Implementation Group meeting.

In the attached documents you will find the agenda of the seminar and administrative information for participants. Participants are kindly requested to confirm their attendance by filling the online form available at the EMILYO homepage.

Looking forward to welcoming your participants in Portugal,

Sincerely yours,

Rui Freitas

Major General
