

# “Research & Development”

LoD – 14

9<sup>th</sup> Meeting 20.09.22

# Previous Tasks

- Embed upcoming research collaborations into IG newsletter.

*(Meet with LoD 6 chair to work out details )*

- Prepare an institute presentation template that includes research-related info.

*(Hold a discussion during the meeting to decide upon the fields of such a template/ Not the general Presentation of the Institution)*

- Update the events' schedule with upcoming conferences.

*(Completed/ Check <http://www.emilyo.eu/node/878> )*

- Publish the updated list of theses.

*(Completed)*

- Prepare a pdf document with in-house journals.

*(Completed/ sent to POCs email for list update)*

## Next Tasks

- Collaboration with LoD-6 for further promotion via the emilyo website (newsletter, **combine LoD-6 and LoD-14 session** on next IG)
- Create a independent menu for LoD-14 (like iMAF and CSDP Olympiad) to be easier to find relevant material
  - ✓ List of Theses
  - ✓ List of In-house Journals, with reference to the writer, institution, database, etc.
  - ✓ Presentation of research capabilities for every institution

## Next Tasks

- Creation of a template with information ONLY regarding the research capabilities of every institution with the following info:
  - Name
  - Faculties
  - Laboratories
  - capability to offer MSc or PhD
  - List of researchers
  - Domain of research

## Next Tasks

- Define a deadline to announce the yearly list of Theses (e.g 2<sup>nd</sup> IG)
- Nominate cadets from every institution as Ambassadors, that they will participate in conferences in the framework of Military Erasmus and promote the “Research and Development” events
