

Call for Papers
SCIENCE & MILITARY
(International Journal)

ISSN 1336-8885 (print); ISSN 2453-7632 (on-line)
DOI: <https://doi.org/10.52651/sam.j>.

The *Science & Military* is an international journal published by the [Armed Forces Academy of General Milan Rastislav Štefánik](#).

The main aim of the *Science & Military* journal is to publish scientific and research articles by Slovak and foreign authors particularly in the following areas: Military Science, Natural Sciences, Engineering and Technology.

The articles comply with the highest demands for quality and expertise of the author, they must meet the required quality and formal criteria and are subject to obligatory peer-review process (double-blind peer-reviewed). Articles are to be written in English language only.

DOI number: Each paper published in the *Science & Military* is assigned a DOI number.

Full texts of articles published in the *Science & Military* journal can be found in the international databases [EBSCO](#) and [ProQuest](#). ProQuest Central: PQ Science Journals; PQ Military Collection; PQ Computing; PQ Telecommunications; Illustrata: Technology; Forthcoming Technology Research Database (TRD) full text packages.

The *Science & Military* journal is published regularly twice a year, in June and December, and its online form is available at: <http://sm.aos.sk>. The paper copies are distributed specifically to the [Slovak Ministry of Defence](#), to selected institutions of state administration in the Slovak Republic, domestic and foreign universities and colleges.

The *Science & Military* journal is inviting papers for No. 1, Vol. 18, 2023 and No. 2, Vol. 18, 2023. Submission deadline is March 1, 2023 and September 4, 2023. Scientific articles submitted for publishing have to be original, topical and never been published before!

***Science & Military* journal publishes contributions without any processing or submission charges!**

In order to increase the quality of the journal we would like to ask for your help in promoting the *Science & Military* journal and reaching out the potential authors of the future journal's articles. If you and your colleagues are interested in publishing the peer reviewed scientific papers, please feel free to start sending your outcomes to the following e-mail: anna.romancikova@aos.sk. The specimen article (template) can be found on the web-site: <http://sm.aos.sk/index.php/en/for-authors-en> and it can be used as an example of the correct format.

For more information, visit the official website of the *Science & Military*: <http://sm.aos.sk> .

With thanks and appreciation,

Brig. Gen. (ret.) Assoc. Prof. Eng. Boris ĎURKECH, CSc.
