**TO: MEMBERS OF THE IMPLEMENTATION GROUP
OF THE EUROPEAN INITIATIVE FOR THE EXCHANGE OF
YOUNG OFFICERS INSPIRED BY ERASMUS**

Dear IG Members,

I would like to cordially invite you to participate in the 57th Meeting of the Implementation Group which we will be honoured to host on 1-2 March 2023 at Rakovski National Defence College – the first Higher Military Educational Institution in Bulgaria. The IG Meeting will be preceded by the Multiplier Event of the Erasmus+ KA2 Project “Hybridisation of specialised English learning for security professionals (HELPSec)” on 28 February 2023. This is a joint linguistic project of our College together with the Portuguese Military Academy and the Swedish Defence University.

I do believe this meeting will further the cooperation between our institutions and help achieve the goals of the Military Erasmus exchanges of knowledge and know-how.

Looking forward to welcoming you in Sofia!

Sincerely yours,

MAJOR GENERAL TODOR DOCHEV

COMMANDANT OF RAKOVSKI NATIONAL DEFENCE COLLEGE
