Cadets participating from:

- Austria,
- Poland,
- Czech Republic,
- Lithuania,
- Georgia,
- Greece,
- Romania;

TASKS CONCERNED:

1. Contemporary Operational Environment
2. Mission Command
3. Tactics, Techniques, Procedures – TTPs
4. Full Spectrum Operations – FSO
5. Troops Leading Procedures - TLP

The second week followed the practical aspect of command, using VBS 3 (Virtual Battle Space) capabilities. This was made possible by the cooperation of the Army Academy with Joint National Training Center (JNTC).

We also had an organised bus tour around the area of the training ground.

There was possibility to enter the old bunkers and look at training ground from there.

2 parts:

- TEST a/b/c/d and filling gaps
- Drawing a draft of the attack/defence
