ACADEMIC FACULTY

LoD-8 (Common Module)-Chairperson
Letter of Intent

Esteemed Members of the Implementation Group,

I am writing to express my sincere interest in the position of [Line of Development (LoD) 8 – Common Module] Chairman. I was thrilled to be informed of the opportunity, and I strongly believe that I would be an excellent fit for this role.

As a highly accomplished academic with a proven track record of success in various academic roles, I am more confident that I possess the requisite qualifications, knowledge, and skills to excel as the LoD 8 Chairman. I have a thorough and deep understanding of the opportunities posed by the position, and I am excited about the prospect of contributing my expertise to this important project.

In my current position as the Hellenic Army Academy's Erasmus+ Academic Coordinator, I have gained extensive experience in designing, conducting, and reviewing courses designed in the "Common Module-CM" format, while in my capacity as the LoD 4 Chairman, I familiarized myself greatly with ESDC processes, skills that I believe would be directly applicable to the management of the LoD 8 project.

As the prospective LoD 8 Chairman, I truly aspire to continue the excellent work carried out by the former Chairman COL Enrico Spinello; setting forth the challenging goal of aligning the ongoing and new CMs with the SQF-MILOF (i.e. LoD 2). In addition, and with your support, I am looking forward to increasing the number of new CMs offered, in an effort to broaden the academic horizon covered by the EMILYO Initiative.

To summarize, I believe that my enthusiasm for our EMILYO initiative would allow me to make a significant contribution to the LoD 8 project. I would be thus truly honored to have the opportunity to discuss my qualifications further with you and to contribute to the success of this important project at the upcoming 58th IG meeting in Athens.

Thank you in advance for your consideration. I respectfully remain at your disposal for any further inquiries and/or information.

Very Respectfully,
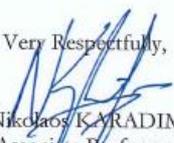

Dr Nikolaos KARADIMAS
Associate Professor
Hellenic Army Academy

Nomination for the Chairperson of the LoD-8
(Common Module)

In my capacity as the Hellenic Army Academy's (HAA) Superintendent, I have a distinct honor and sincere pleasure of nominating Associate Professor Dr. Nikolaos V. Karadimas as the Chairman of the Line of Development (LoD) 8 "Common Module".

Professor Karadimas has been an exemplary academic, and I have had the honor of cooperating with him, thus developing immense respect for his capabilities, professionalism, and passion for his work. His dedication and commitment to the Academy's strategic objectives and initiatives have been invaluable thus far.

In addition to that, allow me to inform you that Dr Karadimas is a fervent proponent EMILYO Initiative and has acted as a strong opinion leader in actively promoting our Academy's key role in the "International Semester" project; consequently, being greatly responsible for a significant number of Greek Cadets participating in that extremely developmental experience over the years.

As the LoD 4 "IT Platform" Chairman, he outstandingly fulfilled his duties, and as the Academic Coordinator of the Hellenic Army Academy and he has played a significant and crucial role in managing the academic facet of the Erasmus+ Program, since 2015.

Concluding, allow me to restate my solemn conviction that, Dr Karadimas possesses all the requisite qualifications, knowledge, and skills for the role of LoD 8 Chairman. He is a highly successful teacher and acknowledged academic committed to delivering stellar results in every endeavor he undertakes. His fresh and informed perspective will undoubtedly prove an asset to the LoD 8 Project. I thus strongly recommend Dr Karadimas as the ideal candidate for the position of LoD 8 Chairman without any reservations.

Very Respectfully,

Statistics – some Rules

- **Numbers** are important (per **study year**)

  – Give much more arguments for financial support

  – Only numbers for the basic officer education

  – Count only "training days" / for semesters: entire stay (without travel days)

- **Fill-in incoming personnel only**

  – **Exceptions**: outgoing personnel to non-IG institutions (e.g.: non-EU-MS or internships at institutions, which are not represented in the IG)

- **Avoid double nominations**

  – E.g.: an international semester consists of (common) modules

  – The same Cdts/Midn participate in both

  – In the statistics report these persons only once!

- **Do not change the form (not any cell)**

  – e.g.: if a country is not mentioned – just use "**other**"
