Dear Colleague,

following the presentation held in Brussels to the Implementation Group of the European Security and Defence College (ESDC), I have the pleasure to invite an officer/midshipman of your Institute to participate in the "International Fall Semester 2019", open to European students, which will be held from September the 30th to December the 31st 2019. The semester is a propaedeutic version of the International Naval Semester (INS), under development within the E.MIL.Y.O. LoD 11, aiming at pursuing an extended and pervasive exposure to the European environment, providing in English and at the same time equivalent competences and ECTS.

In this framework I shall highlight that the first module of the semester will be the traditional Leadership Seminar 2019, which will take place from September the 30th to October the 5th 2019. The seminar is a yearly event, held in English, set open to the participation of midshipmen of other Italian Armed Forces and European Navies.

You may apply either for the whole semester, or for one or more modules, the Leadership Seminar being a traditional highlight event.

Accommodation and logistic support will be provided by the Italian Naval Academy for all participants.

The appointed liaison officer for this event is Commander (OF-4) Patrizio PERIN (☎ +39.0586.238603 - ✉ patrizio.perin@marina.difesa.it), who will provide any further information you may need. Participation should be kindly confirmed no later than August the 31st by filling in the dedicated application form.

Information about the International Semester and the Leadership Seminary 2019 will be posted on the E.MIL.Y.O. web page. (<http://www.emilyo.eu/node/878>)
