

Invitation to the 2nd Erasmus Military English Week

25 - 29 May 2020, Veliko Tarnovo, Bulgaria

Veliko Tarnovo, November, 2019

It is a special honour for us to invite your institution to participate in the 2nd Erasmus Military English Week, which will take place at Vasil Levski National Military University - Veliko Tarnovo, Bulgaria from 25th to 29th May 2020. This second EMilEW will be slightly different from the first one. Even though we have kept the name Military English Week, we would also like to invite colleagues teaching French and German at military institutions, as well as colleagues involved in testing to attend and share their expertise.

This international week is open for academic staff willing to give lectures, share experiences with NMU professors and students, as well as to find common areas of cooperation and mutual interests. A week full of discussions, networking and sharing of best-practices will focus on different topics and will give the participants the opportunity to gain new knowledge, start discussions and networking as well as help strengthen the existing and create new partnerships with colleagues from different countries.

The 2nd EMilEW coincides with the annual scientific conference organized by Vasil Levski National Military University on 28 and 29 May. EMilEW Participants are also welcome to participate in the conference.
