

Dear Colleague,

I have the pleasure to invite an officer/midshipman from your Institute to participate in the "Italian Naval Academy - International Fall Semester 2020", open to European students, which will be held from September 28th to December 31st 2020. The semester is a prototype version of the International Naval Semester (INS) under development within the E.MIL.Y.O. LoD 11. The INS is aimed at providing extensive exposure to the totality of the European environment to participating students and is conducted concurrently within the equivalent competences of the ECTS.

In this framework, I would like to highlight that the first module of the semester will be our 2020 Leadership Seminar, taking place from September 30th to October 3rd 2020. The seminar is an annual event conducted in English and open to the participation of midshipmen of other Italian Armed Forces and European Navies.

You may apply either for the whole semester, or for one or more modules, with the Leadership Seminar being the keystone event.

Accommodation and logistical support will be provided by the Italian Naval Academy for all participants.

The appointed liaison officer for this event is Lieutenant Commander (OF-3) Samuele MONDINO (☎ +39.0586.238554 - ✉ samuele.mondino@marina.difesa.it), who will provide any further information you may need. Participation should be kindly confirmed no later than July the 31th by filling in the attached application form.

Information about the International Semester and the Leadership Seminary 2020 will be posted on the E.MIL.Y.O. web page. (<http://www.E.MIL.Y.O..eu/node/878>)

In consideration of the current health situation related to Covid-19, please be assured our team will promptly inform you of any updates regarding the program or the execution of the International Fall Semester as soon as they are available.

Yours sincerely

Rear Admiral (L.H.)
Flavio BIAGGI
