COMMANDANTS / RECTORS
European Military Universities/Academies

Re: Invitation Letter for Sports and and Shooting Games 2020

Dear Commandants, Dear Rectors,

The Military University of Technology has a great pleasure to announce the third edition of the "Military Multinational Sports and Shooting Games 2020". The event will take place 5-9 May 2020 in Warsaw at the premises of the Military University of Technology, Warsaw, Poland.

The Military Multinational Sports and Shooting Games 2020 is planned as an event dedicated for cadets from European partners' military universities, academies and colleges. Our University staff believe that human being is predicted to develop both, physical and intellectual side. Especially in a widely differentiated, international environment that requires an ability to operate together. During the Games participants will meet some physical and military challenges that, I believe will make them more interoperable.

It will be our utter delight to invite cadets of different military academic institutions to participate in the event, including those who participate in the so-called Military Erasmus program. The event will be also a tremendous opportunity to get some knowledge on MUT, Warsaw, and Poland and socialize during short sightseeing events and participation in a Student's Day.

Other details dedicated to the event can be found attached to the Invitation Letter.

I'm looking forward to meeting your cadets among participants of the Games.

Yours faithfully,

REKTOR-KOMENDANT

WOJSKOWEJ AKADEMII TECHNICZNEJ

gen. bryg. dr hab. inż. Tadeusz SZCZUREK
