

LETTER OF INFORMATION

concerning the common module "Biosafety and Bioterrorism" Thessaloniki

Dear Commandants/Dear Rectors

I am in the unpleasant position, due to CoViD-19 , to reschedule the period of our Common Module **"Biosafety and Bioterrorism"**, organized by the Hellenic Military Academy Of Combat Support Officers (HMCSO).

"Biosafety and Bioterrorism", will be organized from 12th to the 17th of July 2021, under the framework of the European Initiative for the Exchange of Young Military Officers, instead of 08th to the 12th of March 2021, as it was announced at first place.

We provide to international cadets and young military officers the opportunity of experiencing five days of theoretical training in our Academy together with our cadets and other civilian students from Aristotle University of Thessaloniki.

Accommodation and meals are provided free of charge. Transportation to/from the venue is under the participants' responsibility. No participation fee is required. For more information and updated details of the common module, please refer to the attached forms.

Participants are kindly requested to confirm their attendance by filling the attached Application Form and sending it to the POC (Lt Col Kazakis), at the e-mail address: ioanniskazakis@gmail.com and ssarmy@gmail.com, no later than 12th of May 2021. For further administrative information, you are kindly requested to use the same e-mail addresses.

Thank you in advance for your support to the common module "Biosafety and Bioterrorism"; I am looking forward to an interesting and productive event and to welcome you to the picturesque and historical city of Thessaloniki.

Major General Georgios Matzouranis
Commandant of the HMCSO
