

Invitation - Erasmus Military English Week 22 - 26 November 2021, Academia Militar, Amadora

Dear Erasmus Coordinators,

Under the auspices of the European Security and Defence College, the Military Academy in the Framework of the European initiative for the exchange of young military officers has the honour of organizing the **2nd Erasmus Military English Week (EMiEW) for Students**.

The 1st EMiEW for students took place in March 2020, and due to its success, we are holding the 2nd edition in November 2021. Therefore, we would like to invite a delegation of two cadets from your institution to take part in this event that will take place at Academia Militar, Amadora, 22 – 26 November 2021.

We also welcome Teachers of English from your Institution who would be willing to participate and cooperate with us within the field of military English. Teachers will be taking part under the Erasmus+ program, and they will have the chance to teach cadets from several different countries.

The EMiEW for Students is based upon the Common Module Basic Military English and is open for students eager to learn and get acquainted with other cultures. It will be a week full of discussions, networking, and sharing best practices focusing on different military topics and will allow the participants to gain new knowledge, strengthen their English, and create bonds with peers and teachers from other countries. The only requirement is that students are STANAG level 2 and, preferably, 2nd-year cadets.

For further details regarding the module, please contact us via the following e-mail address: emilewforstudents@gmail.com.

Looking forward to hearing from you,

Yours sincerely,

Sofia Menezes
EMiEW Coordinator
