SIBIU, ROMANIA

Erasmus+

Dear Commandants/Dear Rectors,

"Nicolae Bălcescu" Land Forces Academy in Sibiu has the privilege of inviting you to the fifth edition of the **International Week of "Nicolae Bălcescu" Land Forces Academy, Sibiu**, which will be held on 07th – 12th June 2021.

The purpose of the **International Week** is to enhance and intensify the international collaboration with our partner institutions. The aim of this International week is thus to increase student mobility and the recognition of our partner institutions among our students and academic staff, by promoting international studies and international mentality to students.

The participants to the **International Week** are lecturers and researchers from our partner institutions, but it is also open to non-academic staff such as coordinators, administrative staff to share best practices and visit lectures and seminars. Both the host institution and the event participants will give a short presentation about their institutions and will have the opportunity to share and distribute details about your university during the coffee breaks. The language of the **International Week** is English.

In addition to the teaching, social, and cultural activities, the event also includes the attendance to the 27th *International Scientific Conference – The Knowledge Based Organization*, which will be held in the period 10-12 June 2021, being a favorable framework within which academics and scientific researchers have the opportunity to exchange experiences and views from their research in their own area of expertise.

I sincerely hope that the teaching staff and researchers will consider participating in the **International Week** within the Erasmus+ Programme and/or in the conference's sections.

The Academy offers the participants free lodging and meals on week days. Transportation to/from the venue is under the participants' responsibility. No participation fee is required.

Kindly accept our invitation to this special occasion and confirm your attendance by filling in the attached Registration Form and send it to the POC (Ramona Herman), at the e-mail address: international.relations@armyacademy.ro, no later than 16th of April 2021.
