INVITATION TO THE COMMON MODULE ON MILITARY ETHICS (European initiative for the exchange of young military officers, inspired by Erasmus)

Dear Ladies and Gentlemen,

The Hellenic Air Force Academy under the auspices of the European Security and Defence College, in the framework of the European initiative for the exchange of young military officers, inspired by Erasmus, has the honor of organizing a Common Module on Military Ethics.

The module consists of an **e-Learning part**, as well as a **residential session**, held in Athens, at the premises of the Hellenic Air Force Academy in Dekeleia Air Force Base, **from 7th to 11th of November 2022, both parts being compulsory**.

The module is based on the EMILYO CSDP Standard Curriculum which is the major component of EU training activities in the field of Military Ethics to develop and promote a better understanding of the moral dimensions of war and terrorism as an integral part of the Common Foreign and Security Policy (CFSP) of the European Union. The major aim of this module is to analyse the practical problems faced by actors (individuals, military organizations, states, and intergovernmental organizations) in adhering to ethical principles during the war.

We would be pleased if you would accept this invitation and nominate suitable candidates for this training activity.
