(Gloves not required)

9. LOCAL LIFE INFORMATION

WEATHER - You can expect very pleasant temperatures during the day in November. The average maximum daytime temperature in San Javier in November lies at 20.6°C (69.08°F). The average minimum temperature is 10.2°C (50.36°F) (usually the minimum temperature is noted at night).

Most shops and restaurants accept widely used debit/credit cards. However, you may find places accepting payments only in cash. We recommend you ask first what payment method is accepted.

PUBLIC TRANSPORTATION – San Javier and el Mar Menor are small areas and tend to be transited by foot, however taxis are available along with public transport used by all citizens and visitors. The reception at the DoubleTree can hail you a cab if you want to travel somewhere, and while out and about a taxi can be reached at +34 968 24 88 00 via regular telephone line or Whatsapp.
