Hellenic Army Academy  
Athens, 24 October 22

To the Participating Institutions  
in the EMILYO Project,

The Hellenic Army Academy is pleased to inform you that it will organize in its facilities from **20 February 2023** to **09 June 2023** an international program in the framework of EMILYO, titled "International Spring Semester 2023".

The whole program is scheduled to run based on established international standards, taking into account our Academy's relevant experience in that field from previous courses.

Our program's educational goals are fully in line with the Erasmus+ initiative as well as with EMILYO's overall aim to cultivate a common culture on European Security and Defence affairs among young officers.

The "Semester" will consist, in total, of 11 Common Modules offering 30 ECTS. There will be, also, the option for students to attend modules for a shorter period of time.

The Hellenic Army Academy would like to assure you that it will organize and conduct a very rigorous and beneficial program that will offer its students a memorable experience. To that end, we would like to invite you to nominate participants from your esteemed Institution. For planning reasons, it is desirable to have your answers **by the 16<sup>th</sup> of December 2022**.

We are looking forward to your positive response.

On behalf of the  
Hellenic Army Academy,

Major General  
Stavros Papastathopoulos  
Superintendent
