"Are Manoeuvre Warfare and the Manoeuvrist Approach dead?"

Authors/Speakers could ask themselves the following questions:

- *How relevant is manoeuvre in contemporary military operations?*
- *How is the concept applied in economy, geopolitics and geo-economics?*
- *Evaluation/ Methodologies: Does Manoeuvre still work? Or is it a mere theory?*
- *How are Manoeuvre and Attrition related?*
- *What does that mean for Western education and training?*

TMAF is a scientific symposium that deals with the transfer of **knowledge** and the development of the necessary **skills**, **responsibility** and **autonomy** within the framework of **basic officer education** with a **general orientation** as well as **cyber specialisation** to cope with future challenges of military leadership.
