To: the Members of the European Military Secondary Schools Forum (EUMSSF),

Dear all,

Following our 2nd meeting discussions on ERASMUS+ Key Action 2 we would like to inform you that the Military College "Mihai Viteazul" from Alba-Iulia, Romania is keeping its interest in getting the coordinating role in the project.

Today, 04 February 2020, the Military College "Mihai Viteazul" organized a coordination meeting. Participants from this college and "Stefan cel Mare" Military College together with the RO MoD discussed the following related to the topic under consideration:

- the outcome and objectives resulted from the Lisbon EUMSS forum were presented and the initiative on having a key action 2 project under Erasmus + was discussed;
- CNM MV confirmed its interest in writing the project and CNM ScM expressed the willingness in supporting this action.

During the meeting the following challenges were presented:

- 1) Extremely short timeframe for having the project written and forwarded for approval;
 - 2) Caveats in including same profile high-schools from the same country in one KA2 project; (National Agency stressed on the idea that cross sectorial cooperation should be used);
 - 3) Partners willing to be involved in the project shall be identified shortly (**recommended by the end of the week**)
 - 4) As a precondition, all decided partners should have the ECAS registration and the OED (unic code) in order to apply;
 - 5) The participants shall designate the POC and communicate the contact details to **Ms. Bratu Cornelia** prof.cornelia.bratu@gmail.com
- the project title, the objective and desired outcome(s) shall be decided by the chosen team under the coordination of Ms. Bratu. They will copy later on us all and adjust (if required) based on the received input.

For those institutions ready to engage in such a project we would like to kindly ask you to designate the POC and communicate the contact details to Ms. Bratu Cornelia prof.cornelia.bratu@gmail.com and to the ESDC Secretariat to Mr Symeon Zambas Symeon.zambas@eeas.europa.eu , **not later than Friday 7 February 2020.**

We thank you for your cooperation and remain at your disposal for any further information you may need.

With my best regards and wishes for an excellent afternoon

Best regards

Symeon
