NOMINATION LETTER -ITALIAN NAVAL ACCADEMY  
For the IG MEMBER and CHAIRMAN OF LoD 11-INTERNATIONAL NAVAL SEMESTER

Dear members of the IG

The Italian Naval Academy was one of the founders of Lod 11, a project to create an international semester held concurrently across International Naval Academies with identical content. Since 2019 LoD 11, under the Italian leadership, has worked hard for the realization of the International Naval Semester whose subjects were approved during the 46<sup>th</sup> IG. It would be an honour to be able to continue to lead the LoD 11 throughout the executive phase.

In order to demonstrate our deep interest in this initiative and provide maximum support to the development of the LoD 11 we would like to nominate CDR PERIN as IG Member, to whom we extend our institutional support as Chairman of Lod 11.

CDR PERIN was a chief engineer on board an Italian Corvette, Frigate and Destroyer. He has decades of experience as a teacher of naval architecture, propulsion systems and auxiliary machinery in convection at the universities of Pisa, Naples, Trieste and Genoa. During the last three years he has been Head of the didactic and financial planning office at the Italian Naval Academy. Finally, he has been among the most active members in LoD 11 since its inception as well as the first Chairman of LoD 11.

I would also like to take this opportunity to express my appreciation to the Chairman of EMILYO, all the chairmen of the LoDs and the IG members for the successful efforts to enhance exchange programs in educational, training and research fields.

Respectfully

  
Captain Marco BAGNI
