

Erasmus+

Lessons learned and experience from my
Erasmus+

Cadet Blažej BEREGSZÁSZI

General Milan Rastislav Štefánik Armed Forces Academy, Slovakia

CONTENT OF PRESENTATION

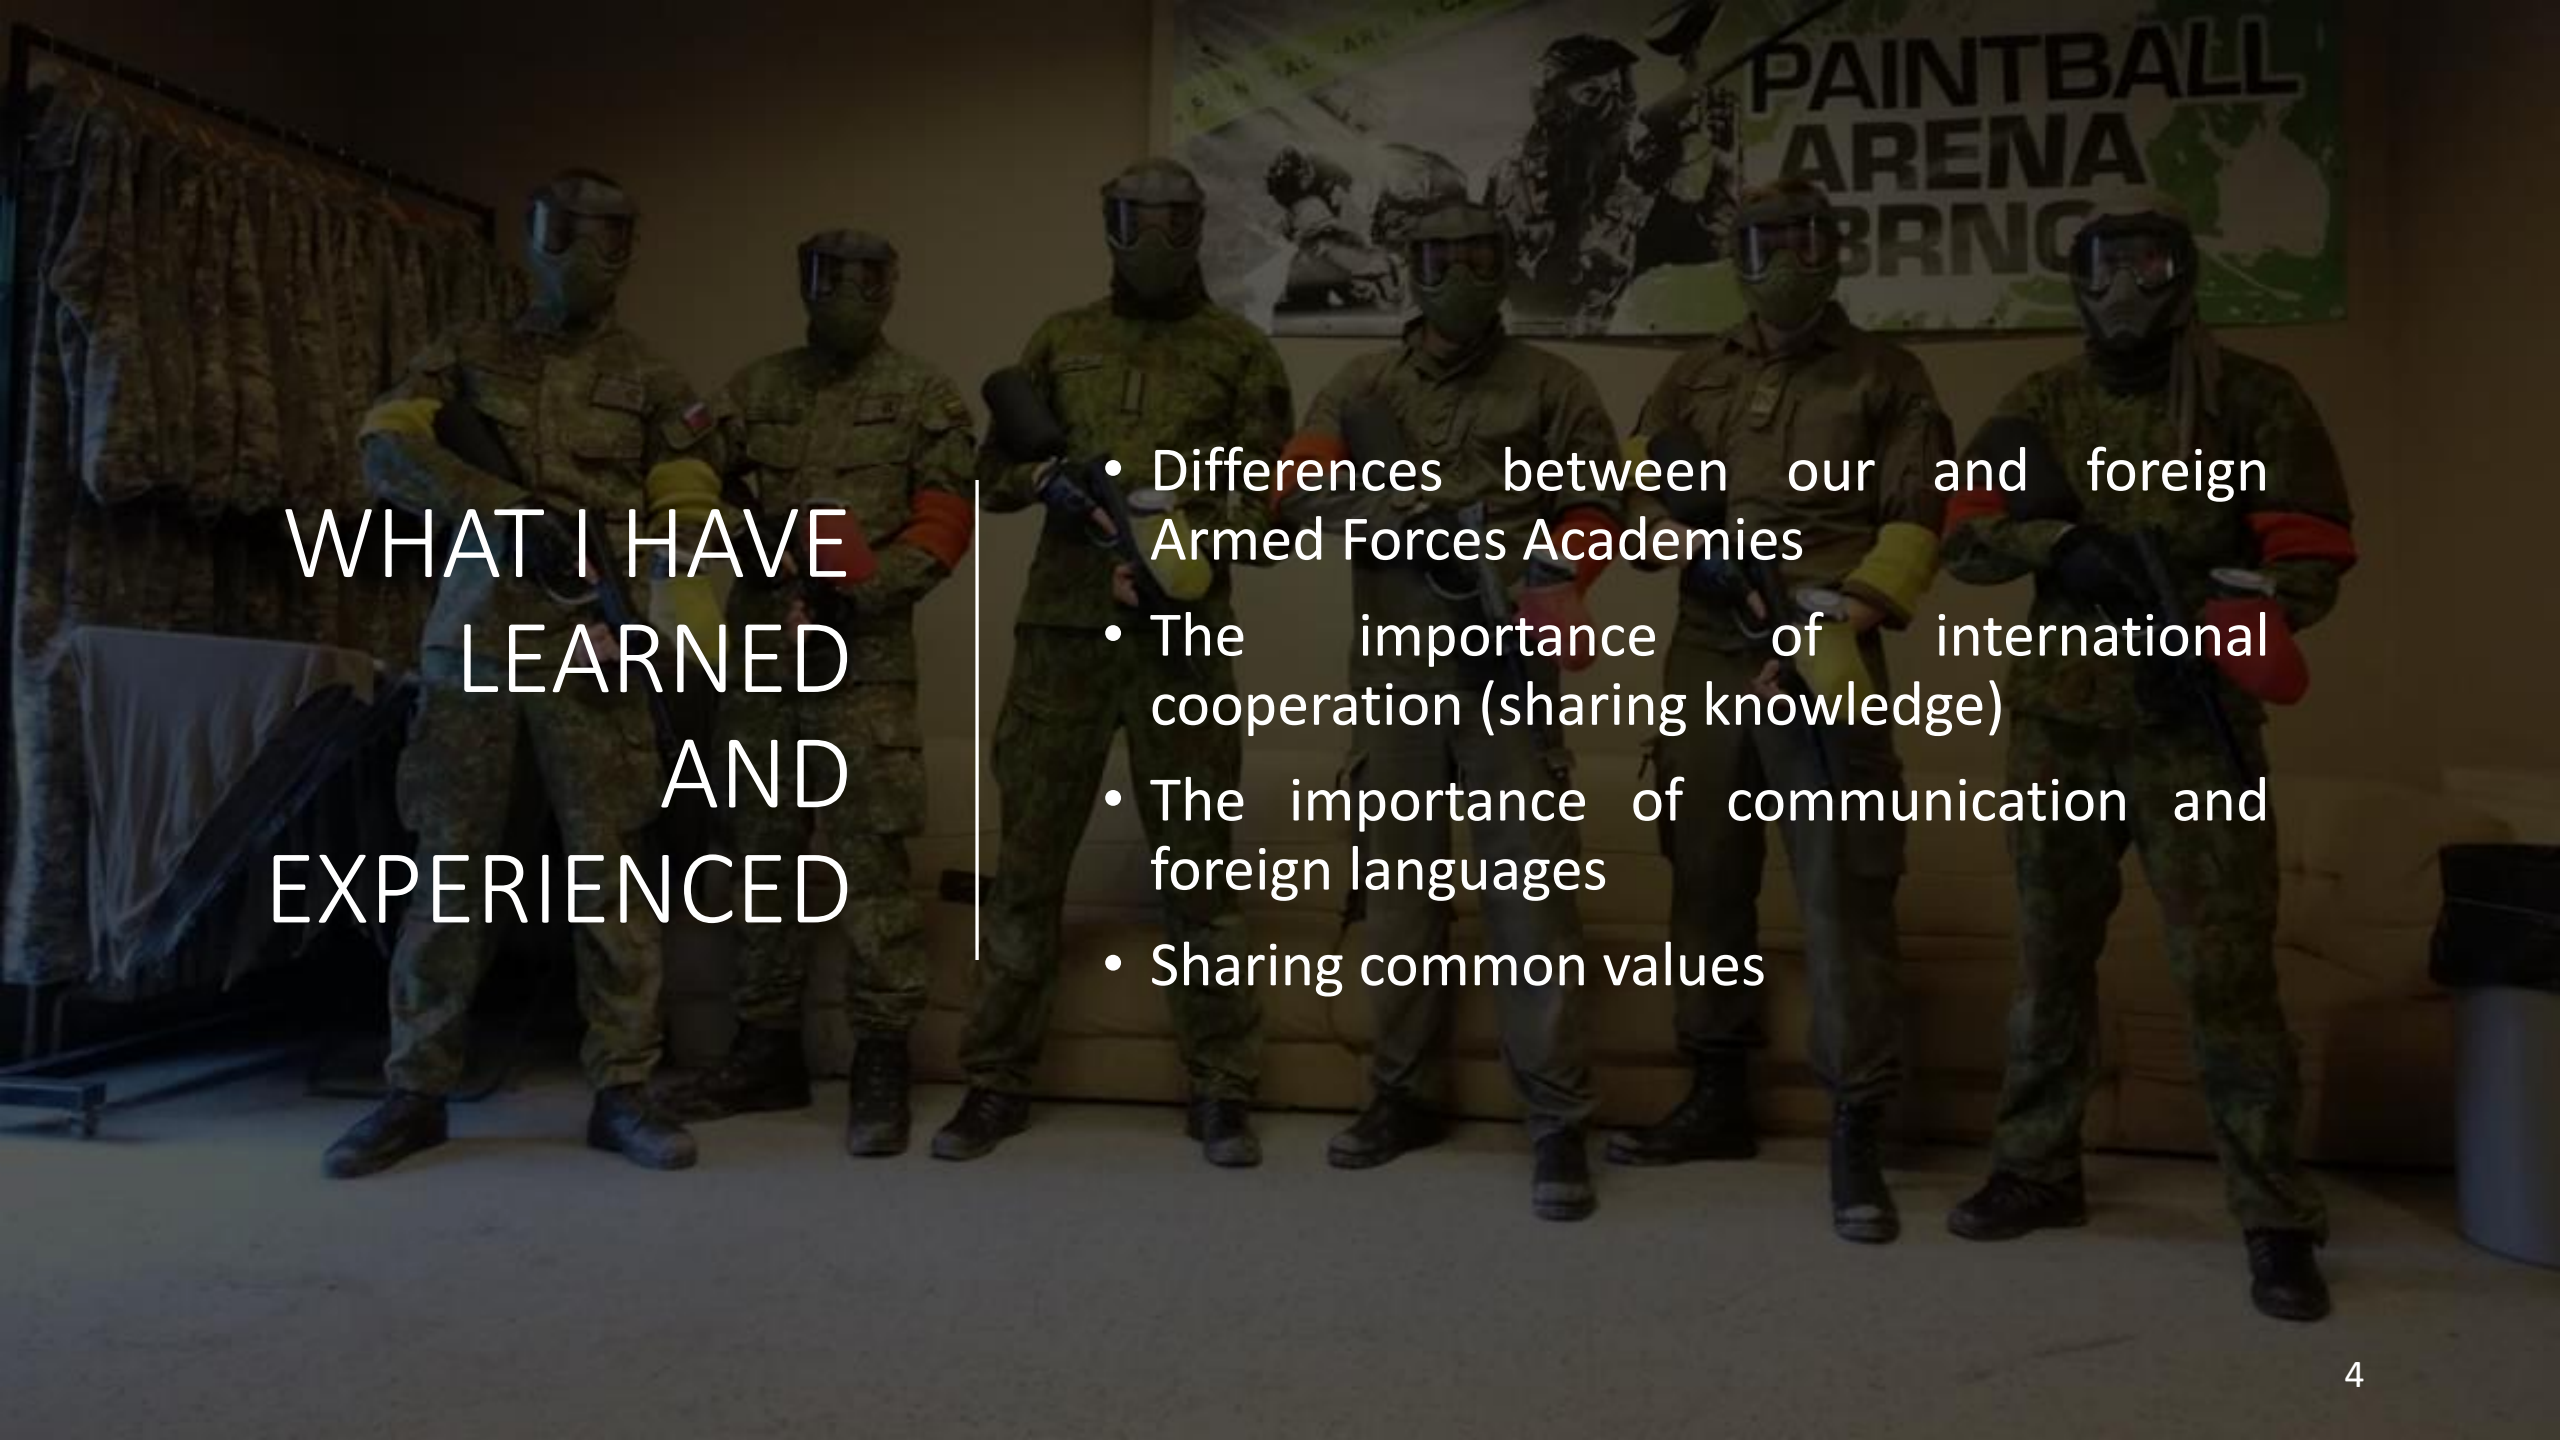

MY ERASMUS+

WHAT I HAVE LEARNED AND EXPERIENCED

MY ERASMUS

- March – June 2019 University of Defence in Brno, Czech Republic
- My subjects were: Elements of Law and International Humanitarian Law, Engineer Support of Force Protection, Engineer support within NATO, Engineering and Ordnance Services, Foreign Language (English), Leadership, Military Art, Physical Education
- Other students (cadets) in erasmus were from: Lithuania, Poland, Austria, Hungary, Romania

A group of six paintball players in full tactical gear, including helmets with goggles and vests, standing in a line in a paintball arena. They are holding paintball markers. In the background, a banner reads "PAINTBALL ARENA BRNO".

WHAT I HAVE LEARNED AND EXPERIENCED

- Differences between our and foreign Armed Forces Academies
- The importance of international cooperation (sharing knowledge)
- The importance of communication and foreign languages
- Sharing common values

Thank you for your
attention!
