INTRODUCTION

What role do EU NATO
relations play?

ensuring stability

fostering transatlantic unity

addressing global challenges effectively

(and even more)

PERSONAL EXPERIENCE

Students at the EU HQ in Bruxelles

Students at the NATO HQ in Bruxelles

What would happen?

Shared information 

Coordinated responses 

Trust 

Threats:

Cyberattacks  Terrorism 

Energy crises  Disinformation 

**1945: Europe still
recovering from the WW2**

**Economies were shattered.
Millions of people had lost their
homes, their families, their future.**

**That is why NATO was created in 1949
— to ensure collective defense.**

**These institutions remind us that unity
is not a luxury — it is the foundation of
our freedom.**

DIFFERENT

but designed to fit perfectly together

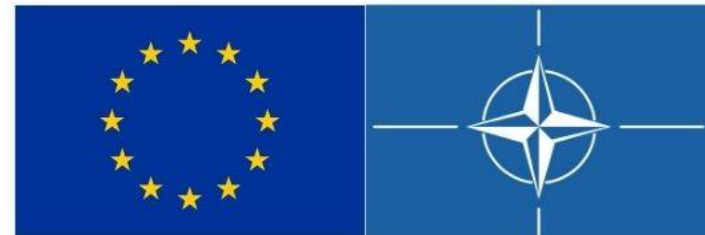

Federica Mogherini
Source: Wikipedia

**“Complementarity is in the nature
of our partnership... a stronger
European Union in the field of
defence makes NATO stronger.”**

Federica Mogherini

Former Vice-President of the European Commission

THINK ABOUT THE FUTURE!

Will we continue to build bridges between the EU and NATO?

Will we choose cooperation over conflict?

Unity over division?

I'M CONFIDENT WE WILL!

THE FUTURE IS IN OUR HANDS!

**The future of EU–NATO depends on us,
the next generation. We are the leaders,
innovators, and peacemakers of
tomorrow. Our unity, our vision, and our
actions will shape the path ahead.
Together, we can ensure a Europe that is
stronger, safer, and more united.**
