From Tradition to Innovation

Venice, December 2nd 2025

AGENDA

- **A Historic Institution in the heart of Milan**
- **Secondary Courses**
- **New Digital Scientific Secondary Course**
- **Ceremonies and Events**

A Military School in the Heart of Milan

A Historic Building

The building where Teulié Military School is set dates back to 1756 and was once a monastery

A Historic Building

In the course of time, the building had a series of different destinations: it was once a military hospital, then a military school that opened, closed and reopened several times.

The Teulié Military School as we know it today was opened in 1996

Secondary Courses
