

Language Education & Training Line of Development (LoD-18)

LoD-18 Chair:

- Col. Assoc. Prof. Vladan Holcner, Ph.D., University of Defence, CZ
 - vladan.holcner@unob.cz

LoD-18 Co-Chair:

- Assoc. Prof. Isabela Dragomir, PhD., “Nicolae Bălcescu” Land Forces Academy, RO
 - dragomir.isabela@armyacademy.ro

LoD-18 Strategic Aim

- Implement a system of effective support to European higher military educational institutions in their efforts to develop and/or maintain their capabilities to provide professional military education and training in English language

LoD-18 Operational Prospective

- Develop a set of verified training and educational activities reflecting the needs and requirements but also interest and capacities of European higher military training institutions

LoD-18 Tactical Approach

- Prepare and execute LoD-18 pilot training activities. Based on lessons learnt propose future training activities for 2024/2025 academic year. Attract broader spectrum of participants/participating institutions.
-

Overview of LoD-18 Discussed/Agreed Scope of Activities¹

Activities indicated as priority for implementation	
Topic/module-oriented workshops for teaching staff	Short term workshop focused on development and practicing of teaching techniques in English etc. Bringing together subject-matter experts-teaching staffs and English language teachers.
Joint English language courses for teaching staff	Short term courses focused on English language skills necessary for teaching in English
Train the trainers workshops	Short term courses focused on sharing experience and approached among English language teachers.

¹ Note: LoD-18 stays flexible and scope of its activities shall adapt based on actual needs and preferences of participating Institutions.

Activities discussed and decided to be postponed for implementation	
Joint language courses for administrative and technical staff	Short term courses focused on all skills
Sharing lessons learnt among the Institutions	Exchange of experience regarding projects of institutions in enhancing and/or maintaining their capability to provide education and training in English.
Sharing training materials in English	Sharing and/or joint development of materials used by teaching staff in selected areas/topics/modules.
Activity discussed and indicated as not needed to be implemented	
Reachback support to teachers/academicians	On-line consultation center.

LoD-18 Deliverables:

a) Pilot activities:

- “MDMP in English focused” workshop for teaching staff;
- Joint English language course for teaching staff;
- Train the trainers workshop for English language teachers.

b) Common modules developed within the LoD18²:

- Intermediate Military English (IMECOM)
- Joint English Teaching Proficiency (JETPRO)
- Assessment & Evaluation in English Teaching (ASSET)
