

NATIONAL DEFENCE  
ACADEMY OF LATVIA

# **CRISIS MANAGEMENT OPERATIONS 2025 COMMON MODULE**

**FROM NOVEMBER 22  
TO DECEMBER 6**

# Important Information – Mark Your Calendars!

## Dates:

**Arrival:** November 22, 2025

**Departure:** December 6, 2025

## Participants:

- 20 international cadets
- **2 spots available** per institution — early applicants will be prioritized.

## Covered by the National Defence Academy of Latvia:

- Local transportation within Latvia
- Accommodation
- Three meals a day

## Important Notes:

- Latvian weather in November and December can be **unforgiving** — *warm clothing is absolutely essential!*
- **Required equipment is mandatory** for participation — please ensure you bring all necessary items as specified in the equipment list.

## Module Objectives

- Understand the principles of deploying single-arm subunits in Crisis Management Operations in line with national doctrine.
- Understand Land Forces the tactics, techniques, and procedures for Crisis Management Operations at the national level.

## Who Can Apply – Prerequisites for International Participants

### English proficiency:

CEFR Level **B1** or NATO STANAG 6001 Level **1+**

### Academic Level:

Open to **2nd- and 3rd-year cadets** with a foundational understanding of **section and platoon-level tactics**

## Learning Outcomes

- **Knowledge:**

In-depth understanding of **leadership principles, tactical planning**, and the **application of force** in Crisis Management Operations.

- **Skills:**

Ability to **plan** Crisis Management Operations at the **platoon level**

Effectively **implement and supervise** combat support elements during operations

**Develop creative, mission-focused solutions** during the planning and execution phases of Crisis Management Operations

- **Competencies:**

**Independently execute** Crisis Management Operations at platoon level without instructor support

**Make operational decisions** that align with the **legal frameworks** governing Crisis Management Operations

**It all starts in November – make sure your cadets are part of it!**
