Duration of stay

2024-2025

- **Cultural Integration**
- **English Language Practice**
- **Academic Adaptation**
- **Travel & Cultural Exploration**
- **Soft Skills Development**

Classes

- During the semester, we participated in courses relevant to our specialization in Navigation, Hydrography, and Naval Elements. The classes were conducted in English and included students from Greece, Ukraine, and Spain, creating a diverse and engaging academic atmosphere.
- Professors were not only knowledgeable and experienced, but also approachable and eager to help international students succeed. The courses focused on both theoretical understanding and technical skills, and the teaching methods encouraged active participation and collaboration across cultures.

Highlights

Benefits

- **Boosted Independence and Self-Reliance**
- **Stronger Adaptability in New Environments**

Recommendations

„We highly recommend the Erasmus+ program at the “Nikola Vaptsarov” Naval Academy to any student eager to grow academically, improve language skills, and gain international experience. Studying in Bulgaria challenged us to adapt, connect with people from different cultures, and become more confident both personally and professionally. It’s a unique opportunity that combines academic development with unforgettable cultural exchange.”
