19<sup>st</sup>  
**July**  
2024

29<sup>th</sup>  
**August**  
2024

# Tasks

- ❖ Methods of extinguishing fires on board ;
- ❖ Preparation of routes and maps ;
- ❖ Assisting with the operation of engines and navigation equipment ;
- ❖ Man overboard simulation

# Training period during the march

**“The experience aboard the Greek ship "HS PROMITHEUS" was a memorable one because we managed to find out as much information as possible about life at sea and the way of life on board when the ship is underway.”**

# New experiences

# New experiences

# New experiences

# Accomplishment

- The experience gained with Greek students ;
- Learning the Greek language ;
- Awarding of the Academy's awards to the commander of the ship "HS PROMITHEUS" ;
- Applying personal knowledge during the march ;
- Maritime skills for navigation and propulsion .

# Recommendations

**“The experiences I had aboard the Greek ship "HS PROMITHEUS" convinced me to participate in other missions or marches organized by foreign academies in the future. These types of activities can help you gain skills and at the same time experience on the work place if you want a successful career in the navy.”**

**~ A. ILIESI**
