LOD 3 OBJECTIVES

Strategic

- Support institutions that run the Common Modules with e-learning content, if needed
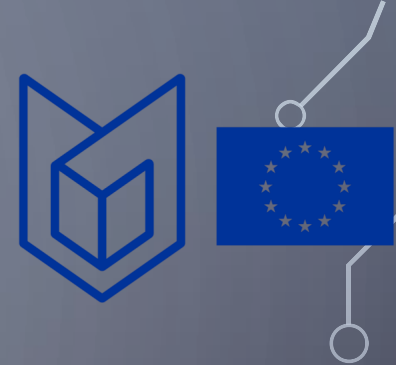

Operational

- Create a "list of existing e-learning content", with a POC for each content

Tactical

- Understand the current implementation of e-leaning in each institution

ROADMAP FOR NEXT MEETING

- Create an e-mail for LoD3 chair

- Send a form to the institutions to identify their e-learning content, and a POC for it – form to be send on the next IG in Brussels.

- Create a database with this information, uploaded at the EMILYO webpage

  - Should this list be in the PW protected area ?

- Update IG every other meeting with the status of this database

THANK YOU!
