

Nomination for 14th Honorary Member of the EMILYO Implementation Group

Dear Members of the EMILYO Implementation Group,

In accordance with the Rules of Procedure (ESDC document 2017/184 of 5 September 2017), I wish to formally nominate **Brigadier General Pilot Krzysztof Cur, PhD, Eng.**, Commandant of the Polish Air Force University, as the 14th Honorary Member of the Implementation Group.

My reasons for this nomination are as follows:

Consistent Support and Engagement: Since 2021, Brigadier General Pilot Cur has been a steadfast supporter of the Implementation Group (IG). He immediately recognised the importance of the IG during the first international meeting – the 50th IG Meeting, organised back-to-back with the IAFS Multiplier event in HCAFA Braşov, Romania. Following this, he actively initiated and developed numerous exchange activities. He also supported the initiative of the new IADS project, being a member institution of it.

Exceptional Reliability and Hospitality: Brigadier General Pilot Cur has consistently proven to be an exceptionally reliable contact for organising international events at Polish Air Force University in Deblin. He enhanced the collaboration of all European Air Force academies through active participation in all meetings like EUAFA, EUMACS, and iMAF. He has been instrumental in the successful execution of events, the latest outstanding one being in 2025, the organisation of EUMACS and EUAFA. Participants in these events have consistently highlighted his extraordinary hospitality and direct, unwavering involvement.

Pioneering Internationalisation Efforts: Under his leadership, the Polish Air Force University was the first to opt in the International Air Force Semester, developed within an Erasmus+ Strategic Partnership Project by five Basic Officer Education Institutions (BOEIs). This achievement, along with the academy's extensive offerings of other international events for EMILYO participants, he positioned Polish Air Force University as a leading European Union BOEI. This was further reinforced by the subsequent implementation of the first International Air Defense Semester under similar conditions.

Dedicated Advocate for EMILYO: Brigadier General Pilot Cur's dedication and unwavering support over the past few years have made him a true "friend" of EMILYO. He consistently demonstrates a willingness to assist and actively promotes our shared European values.

I therefore propose that, at the 68th IG meeting, we discuss and, subject to your agreement, vote on the honorary membership of Brigadier General Pilot Krzysztof Cur.

Yours faithfully,

Braşov, 04 November, 2025
