# INTERNATIONAL COOPERATION

## HAA Visit to EU Institutions & NATO

### The Purpose

- Familiarize with EU institution & Understand purposes and way of Operating
- Cultivate Common Culture and the idea of Belonging in the frame of EU
- Build / enhance the internationalization aspect of future officers by interacting with foreign institutions and officers
- Enjoy a visit in EU capital in a way that no one else can do!

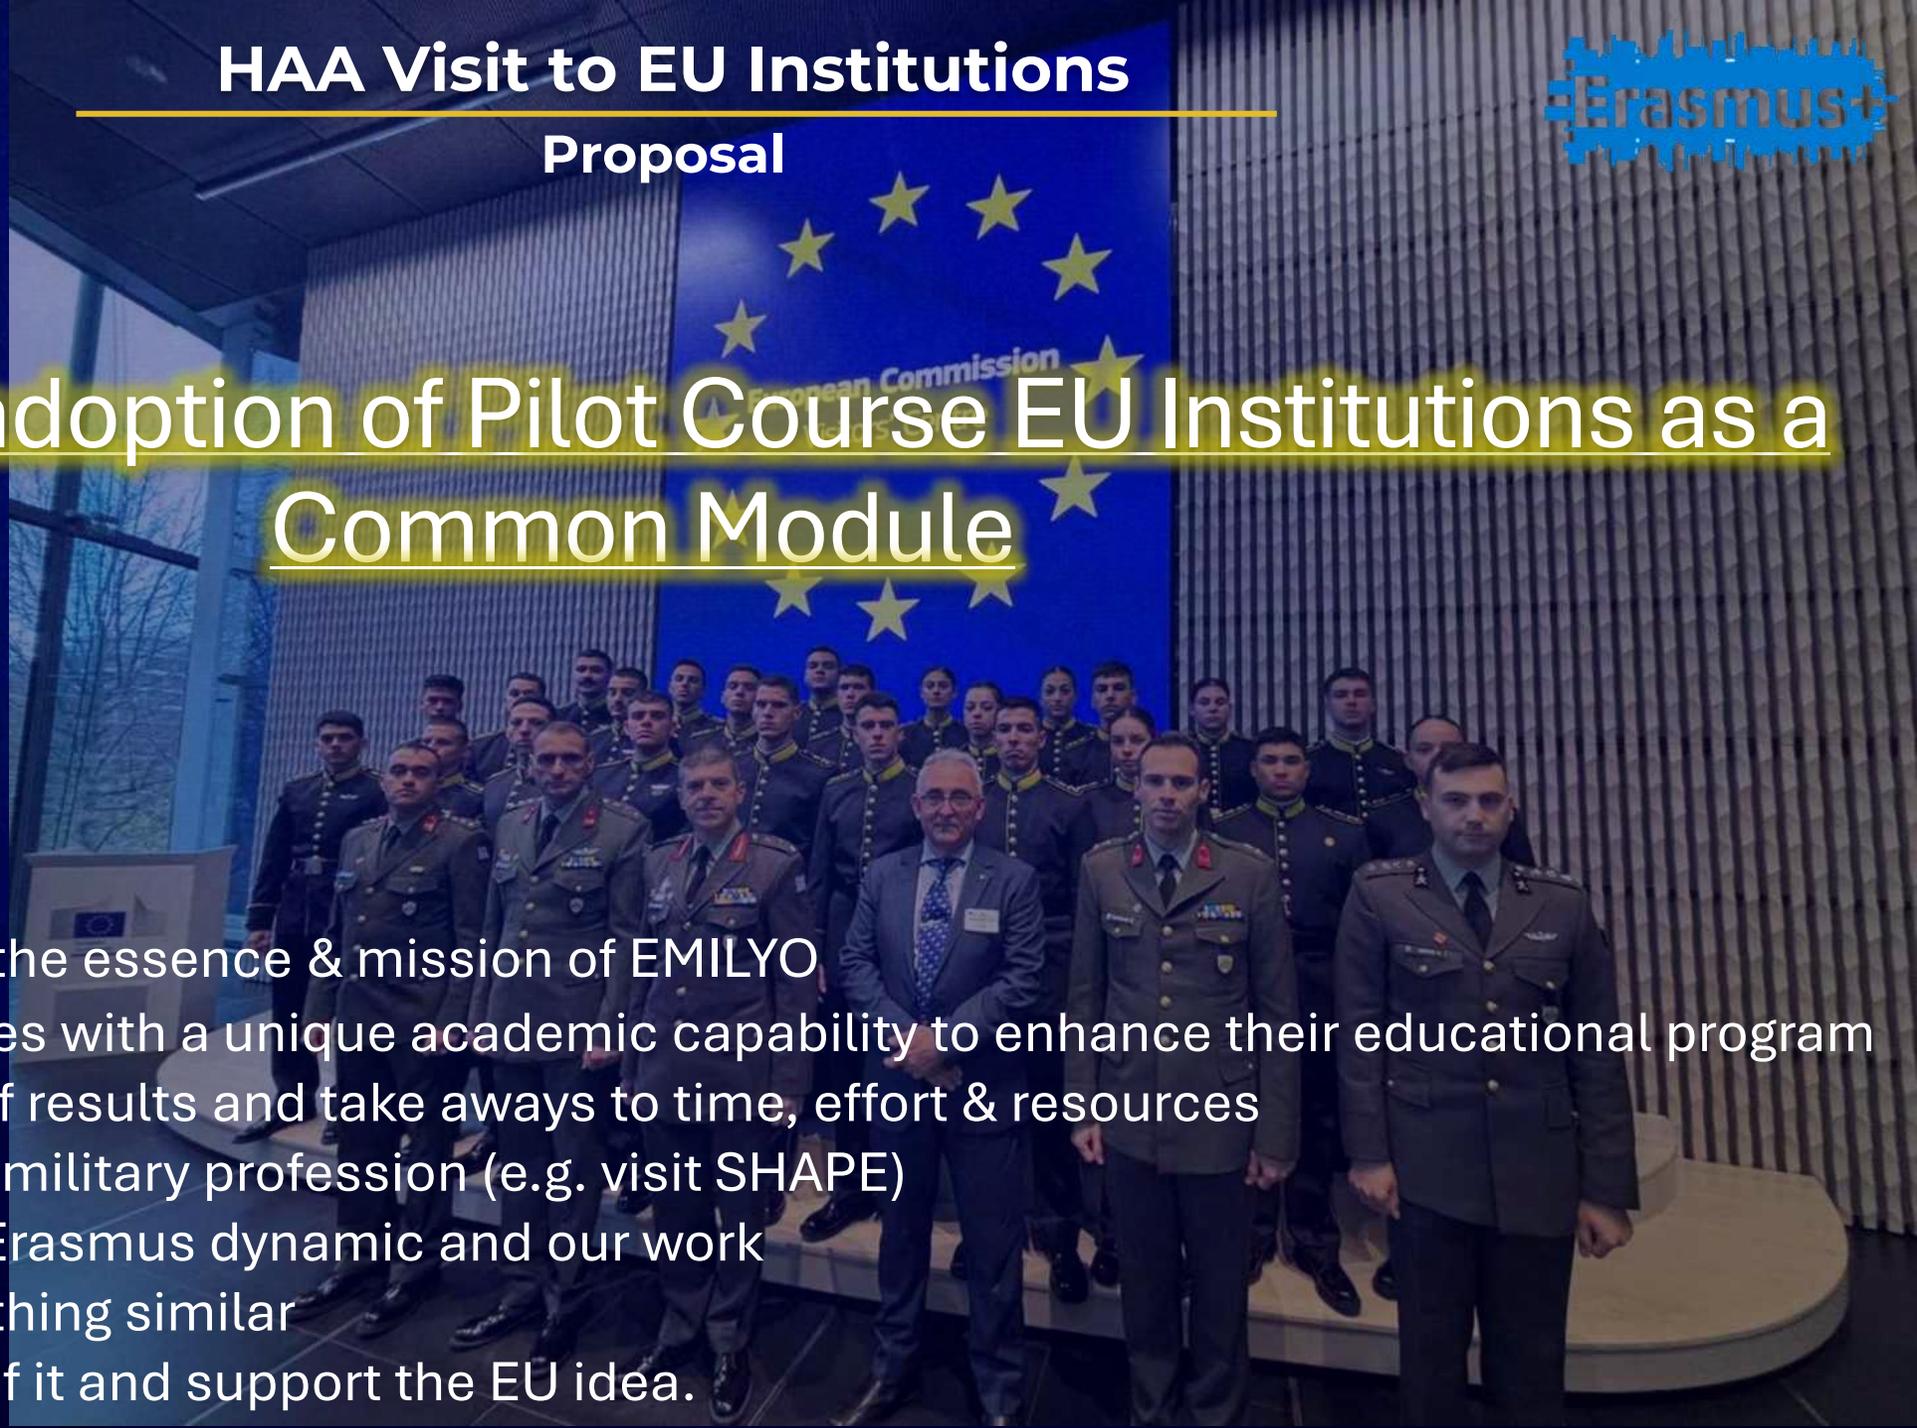

# HAA Visit to EU Institutions Proposal

## Explore the adoption of Pilot Course EU Institutions as a Common Module

### Why?

- It perfectly embodies the essence & mission of EMILYO
- Provides the Academies with a unique academic capability to enhance their educational program
- Positive Correlation of results and take aways to time, effort & resources
- Directly related to the military profession (e.g. visit SHAPE)
- Projection of Military Erasmus dynamic and our work
- We do not have something similar
- Because we are part of it and support the EU idea.

# International Military Skills Competition **HERCULES TRIALS**

What this will be?

- A Competition which holistically focuses on the military profession
  - o Testing Physical Endurance, Knowledge and Character
- A test of Military skills producing new knowledge and experience
- A competition that brings us together
- A Celebration of EU culture and Identity
- A way to compete and unite

Why we need it?

- Because we do not have one!

# What is the big picture?

- A pan-European competition like UEFA European Championship
- With officers as Referees across the EU
- Open to countries out of Europe
