Potential new common module(s):

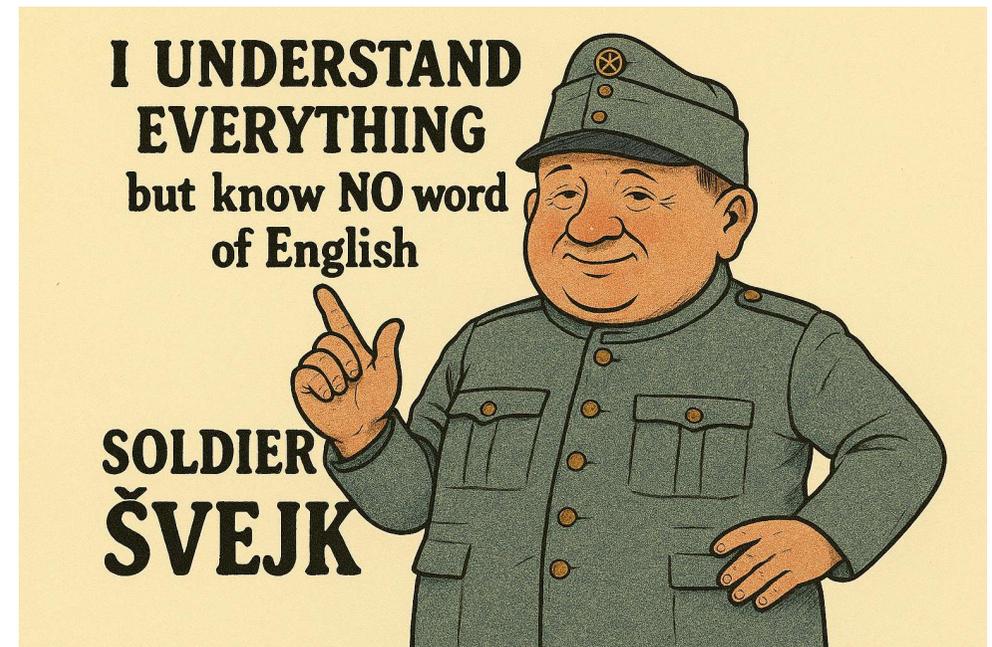

- **AI-Based Pedagogy in Military Education (AIMED)**
 - Proposed by LFA RO
 - Train-the-trainers module
 - Aimed at integrating AI into teaching practices by identifying, designing, and critically evaluating AI-based educational resources adapted to the military context
- **Academic Writing**
 - Train-the-trainers module
 - Focused on English writing skills for scientific articles
 - Is there demand for such a module?

Potential joint research project

- No suitable support found

Further Steps:

- execution of planned activities
- development of tool(s) promoting of LoD18 activities and benefits
- preparation of activities for 2027/2028 (ESDC planning process)
- next LoD-18 session – during the 72nd IG meeting

Thank you.
