Implementation Group

Erasmus (EMILYO) Implementation Group (IG) took place in Riga/Latvia from 25-27 May 2026 – back-to-back with the 70th IG-Meeting. Vice Chairs were elected and will start their mandate in September 2026. Outstandingly, the 70th IG-Meeting was held at the Academy of Latvia, during iMAF conclusions for the 8th CSDP. A new line of development was discussed with the name "lessons learnt & quality assurance".

Follow Us

This platform was created to facilitate the exchange of young officers inspired by Erasmus or EMILYO or the "Initiative for the exchange of young officers" (BOEI), to explore possibilities for military education and training, to share knowledge and know-how through the BOEI.

In this toolbox, several fundamental military officers' basic education and training topics are covered.

- All the documents – presented during this meeting – are available on the EMILYO homepage until the next meeting (mainly as pdf-documents) → folder: "Temporary Documents"

TO: Chairperson of the Implementation Group of the Military Erasmus Initiative.

LETTER OF NOMINATION

Dear Colonel, dear Members of the Implementation Group,

I would like to confirm Lt. Col. (A) Enrico SPINELLO in the position of Vice Chair for Education for another term. For this reason he will be fully supported by the Italian Army Command for Education, Specialisation and Doctrine – Turin and the Italian Army Officers School – Turin, with the assurance of institutional support, including the financing of travel expenses and the availability to participate in the four annual meetings of the Implementation Group.

I am confident that with his dedication and commitments he can continue to contribute to reach more common goals among the initiative.

I would like to take this opportunity to express my appreciation for your personal effort and commitments and to thank the entire group for all the results achieved and those that will be reached in the future to provide our young officers with the best international education and training.

Voting on LoD-06 Chair (Strategic Communication)

Hellenic Air Force Academy

To: Col. Assoc. Prof. Harald GELL
The Chairman of the Implementation Group of EMILYO

Nomination for the Position of Chair of Line of Development 06 – Strategic Communication

Dear Col. Assoc. Prof. Harald GELL,

I am writing to nominate 1st Lieutenant KONSTANTINOU Marina for the position of Chair of Line of Development 06 – Strategic Communication within the Military Erasmus+ initiative.

In my capacity as Commandant, I have had the opportunity to engage with 1st Lieutenant KONSTANTINOU Marina on several occasions, particularly through her active involvement in Military Erasmus+ activities since December 2024. During this period, she has consistently demonstrated a strong commitment to the objectives of the initiative, together with a clear understanding of the strategic role that effective communication plays in strengthening international military academic cooperation.

1st Lieutenant KONSTANTINOU Marina combines professionalism, initiative, and excellent organizational skills with a collaborative leadership approach. She has the ability to coordinate diverse stakeholders, communicate effectively in multinational environments, and promote cooperation across institutions. These qualities make her exceptionally well qualified to lead Line of Development 06 – Strategic Communication.

I am confident that, as Chair, she will successfully lead the development and implementation of new communication methods, while fostering a systemic "One Team" approach that enhances the visibility, coherence, and impact of Military Erasmus+ communication activities. Her leadership will contribute to ensuring that communications are timely, effective, and capable of increasing awareness and engagement among the initiative's key audiences, further promoting the achievements and objectives of Military Erasmus+.

Based on the above, I strongly recommend 1st Lieutenant KONSTANTINOU Marina for the position of Chair of Line of Development 06 – Strategic Communication and fully support her candidacy. I am confident that she will make a significant contribution to the continued development of the Military Erasmus+ initiative and the broader EMILYO framework.

Furthermore, I hereby confirm the Hellenic Air Force Academy's full institutional support for her candidacy, including the commitment to provide the necessary funding for her travel and participation in at least four Implementation Group meetings per year, should she be appointed as Chair of Line of Development 06 – Strategic Communication. The Academy remains fully committed to supporting her active contribution to the successful implementation and further development of the Military Erasmus+ initiative.

Thank you for your time and consideration.

Yours faithfully,
Major General
Ioannis KARAMANIS
Commandant of the Hellenic Air Force Academy

TO: Chairman of the Implementation Group of the Military Erasmus Initiative

LETTER OF NOMINATION

Dear Colonel, dear Members of the Implementation Group,

I am pleased to nominate **Major Associate Professor Engineer Andrada-Livia CIRNEANU**, PhD, of the Military Technical Academy "Ferdinand I" (RO MTA), Bucharest, for the position of **LoD22 Chair of the Implementation Group**. I hereby confirm the Academy's full institutional support for her candidacy, including funding for travel expenses and participation in at least four Implementation Group meetings per year.

Dr. Andrada-Livia CIRNEANU completed her postdoctoral studies at the National University of Science and Technology POLITEHNICA Bucharest and holds a PhD in Systems Engineering, alongside advanced military, engineering, and national security training.

Currently an Associate Professor in the Department of Weapon Systems Engineering and Mechatronics, she has demonstrated excellence in teaching, research, and academic leadership. She coordinates the Erasmus+ project *Digital Mathematics Applied in Defense and Security Education* on behalf of the Military Technical Academy "Ferdinand I" and has contributed to fourteen national and three international research projects. Her achievements include a scientific book, a laboratory guide, and more than twenty papers published in international conferences and scientific journals. In addition, her experience as a military officer involved in the testing, evaluation, and logistics of weapon systems provides valuable practical insight that complements her academic expertise.

Dr. Andrada-Livia CIRNEANU has also gained substantial experience in quality assurance and accreditation processes for higher education programmes, including the preparation of ARACIS accreditation and self-evaluation reports, compliance documentation, and performance indicators. Combined with her strong leadership, organisational, and interpersonal skills, this experience provides a solid foundation for contributing to the objectives of LoD22. Her academic excellence, military experience, expertise in quality assurance, and commitment to international cooperation make her exceptionally well qualified to serve as LoD22 Chair.

Finally, on behalf of the Military Technical Academy "Ferdinand I", I would like to express our sincere appreciation for the dedication and vision that continue to drive the Military Erasmus initiative forward. We remain firmly committed to supporting this initiative and look forward to contributing actively to its continued development and future success.

Yours sincerely,

Brig.Gen.Prof. Eng. Constantin-Iulian VIZITIU, PhD
Commandant/Recto of the Military Technical Academy "Ferdinand I",

Letter of Nomination.

TO THE CHAIR OF THE IMPLEMENTATION GROUP OF EMILYO

- During the last EUMACS in Paphos, I submitted a proposal for the creation of a new Lines of Development dedicated to Law Enforcement Military Academies.

This proposal stems from our Institution's need to develop training frameworks capable of seizing the exchange opportunities offered within the EMILYO framework, as well as fostering increasingly harmonious and interoperable activities within the EU security and defense sector.
- For this reason, I would like to propose the nomination of **Captain Francesco Stasi** as the Chair of this new Line of Development, entitled "**Law Enforcement Education**", ensuring his presence at the annual meetings of the Implementation Group.
- Captain Francesco Stasi is an Officer of the Guardia di Finanza with extensive experience in the fields of revenue protection, anti-money laundering regulations and customs police activities.

He holds Master's degrees in "Economic and Financial Security Sciences" and in "Law", and has completed a second-level Master's program in "Tax Law and Business Counseling".

Since September 2024, he has served as an Instructor Officer at the Guardia di Finanza Academy.
- I strongly believe that Captain Francesco Stasi owns the ideal professional profile to successfully cover the role of Chair for this new Line of Development.

In this effort, he will, in any case, be supported by Major Naiqué Palla and Professor Cinzia Peraro from the University of Bergamo.

Statement Reminder Mails

- **The platforms for advertising events are:**
 - Presentation during IG Meeting.
 - EMILYO website (social media).
- **It does not make sense:**
 - sending reminder mails again and again;
 - sending official letters to Commandants in case there are not enough participants (this requests answer letters!).
- **We try not to send too many mails to you!**

EMILYO song (created by Marit & Frank)

Verse 1

From every corner of Europe we came,
Different uniforms, but the mission's the same.
To build a future strong and bright,
Where young officers learn, lead, unite.
Oslo's calling in the winter night,
Marit's guiding with a smile so light.
She keeps us steady, calm and clear,
A motherly captain of good EMILYO cheer.

Pre-Chorus

And the city glows, the fjord runs cold,
But our spirits rise like stories told.
With a glass in hand and a laugh set free,
This is who we're meant to be.

Chorus

We are the hearts of EMILYO,
Where every friendship starts to grow.
Raise your voices, let them know:
We stand as one wherever we go!
Through every module, every Line,
We cross the borders, blur the lines.
Tonight, in Oslo's warming glow,
We sing as one — EMILYO!

Verse 2

Now Harry's watching with a steady gaze,
The Chair who keeps us all in place.
But behind that look so sharp and tight,
Burns a heart that glows like Northern light.
And Christoforos, the smiling guide,
The right-hand hero by Harry's side.
Solve a problem? He's already there —
With laughter, kindness, endless care.

Pre-Chorus 2

We've talked of LoDs, goals and plans,
We've shaken hundred helpful hands.
But now the formal part is done,
It's time for music, friends and fun!

Chorus

We are the hearts of EMILYO,
Where every friendship starts to grow.
Raise your voices, let them know:
We stand as one wherever we go!
Through every workshop, every day,
We learn, we wander, find our way.
Tonight, in Oslo's warming glow,
We sing as one — EMILYO!

Bridge (fun, slightly tipsy):

Here's to modules big and small,
To every meeting room and hall.
To sauna steam and late-night cheer,
To "just one more" Norwegian beer!
To Harry's passion, fierce and true,
To Christoforos — we love you!
To Marit — host of royal class,
Let's raise a toast and clink each glass!

Final Chorus (bigger, louder, hands on shoulders):

We are the hearts of EMILYO,
Stronger than the winter snow.
Side-by-side our spirits glow,
We stand as one — EMILYO!
Across the borders, sea to sea,
This is who we choose to be.
So, raise the roof before we go —
Forever proud... EMILYO!

Outro (spoken/sung):

"To Oslo, to friendship, to EMILYO —
see you at the next IG!"
