New strategic plan of LoD-12

Levels	Timing	LoD-12	Remarks
Strategic	in 3-5 years	Extend the implementation of the International Air Force Semester (IAFS) Pursue active organization of EUAFA annual meeting Expansion of Air Force Education & Training activities to non academic training, i.e., physical training, simulators, etc.	Should be a realistic goal. Be creative and think about an ideal end-state for <u>your</u> LoD in 3-5 years.
Operational	in 1 year	Standardize welcome pack for IAFS cadet + systematically perform IAFS assessment Host EUAFA Commandants' Conference with working group outputs Integrate physical training, simulators, and other applied modules	Must contribute to the strategic goal(s)
Tactical	Next meetings	3 LoD meetings per year (September, February, May)	Must contribute to the operational goal(s)
