Dear Col. Assoc. Prof. Harald GELL,

I am writing to nominate 1st Lieutenant KONSTANTINOY Marina for the position of Chair of Line of Development 06 – Strategic Communication within the Military Erasmus+ initiative.

In my capacity as Commandant, I have had the opportunity to engage with 1st Lieutenant KONSTANTINOY Marina on several occasions, particularly through her active involvement in Military Erasmus+ activities since December 2024. During this period, she has consistently demonstrated a strong commitment to the objectives of the initiative, together with a clear understanding of the strategic role that effective communication plays in strengthening international military academic cooperation.

1st Lieutenant KONSTANTINOY Marina combines professionalism, initiative, and excellent organizational skills with a collaborative leadership approach. She has the ability to coordinate diverse stakeholders, communicate effectively in multinational environments, and promote cooperation across institutions. These qualities make her exceptionally well qualified to lead Line of Development 06 – Strategic Communication.

I am confident that, as Chair, she will successfully lead the development and implementation of new communication methods, while fostering a systemic “One Team” approach that enhances the visibility, coherence, and impact of Military Erasmus+ communication activities. Her leadership will contribute to ensuring that communications are timely, effective, and capable of increasing awareness and engagement among the initiative’s key audiences, further promoting the achievements and objectives of Military Erasmus+.

Based on the above, I strongly recommend 1st Lieutenant KONSTANTINOY Marina for the position of Chair of Line of Development 06 – Strategic Communication and fully support her candidacy. I am confident that she will make a significant contribution to the continued development of the Military Erasmus+ initiative and the broader EMILYO framework.

Furthermore, I hereby confirm the Hellenic Air Force Academy's full institutional support for her candidacy, including the commitment to provide the necessary funding for her travel and participation in at least four Implementation Group meetings per year, should she be appointed as Chair of Line of Development 06 – Strategic Communication. The Academy remains fully committed to supporting her active contribution to the successful implementation and further development of the Military Erasmus+ initiative.

Thank you for your time and consideration.

Yours faithfully,

Major General

Ioannis KARAMANIS
